

NPC And Monster Personalities And Reactions

by Andrew Cavanagh

[CC by 4.0 Attribution](#)

In this pdf are two random tables you can use for your encounters or to create NPCs or monsters. They will give you less common NPC and monster reactions. The NPC table can be used with NPCs and with monsters that have human-like personalities.

If a reaction you roll doesn't fit the monster or NPC you can use the reaction above or below it on the table.

NPC Personality/Reaction d100

Strong Positive	Mild Positive	Mild Negative	Strong Negative
